12:00-4:00

Office hours subject to change

5021 50th Avenue, Lacombe

Phone: 403-506-9020

Scholastic

Orders Due

Thursday, December 6th

### PROVIDERS

Do you have an idea for an agency  
activity for providers and children?

Contact Miss Danita with your ideas  
and she will take it into consideration  
when planning activities!!

- Accreditation**
- Standard 1.0. Child care programs promote and nurture children's positive sense of self and belonging through supportive relationships.
- E. Acknowledge children who recognize the skills, accomplishments, and contributions of peers.
  - F. Foster strong emotional attachments with children sharing feelings, communicating warmth and acceptance through verbal and non-verbal reassuring behaviours.
  - G. Respond to children's needs and cues in an appropriate, timely, caring, and consistent manner.

**OBSERVED DURING HOME VISIT**

You can learn so much from children when you take the time to sit with them during meals. Great job Joanne!!!

**Provincial Standards Review**

**Standard 3: Criminal Record Checks**

All staff contracted and employed by the agency, including family day home providers, must:

- Provide a criminal record check, including vulnerable sector search, dated no earlier than six months prior to start of the contract or employment;
- Update their criminal record check, including vulnerable sector search, every three years.

**Children's Developmental Milestones**

- When you place a toy in front of your 6 month old, does she reach for it with both hands?
- When lying on her back, does your 6 month old play by grabbing her foot?

**Parent's Corner**

**Winter Safety Tips For Parents And Children**

- \* Never allow children to play outside alone.
- \* Have younger children take frequent breaks to come inside and check to see they are warm and dry.
- \* Advise children to stay away from snowplows and snowblowers.
- \* Ensure children play in an area away from roads, fences and water.
- \* Dress children in layers of clothing.
- \* Make sure children wear a hat because most body heat is lost through the head.
- \* Remove all drawstrings from children's clothing to prevent strangulation.
- \* If you go skating make sure children always wear a helmet.
- \* Ensure boots are warm and water-proof.

**PROGRAMMING**

**Christmas Sensory Bin**

To make this bin, simply fill a container with white rice. Some ideas for items would be Christmas colored pom poms, little snowflakes and alphabet letters. You could also add pipe cleaners or ribbon so they can use it for garland.

To make the sticky Christmas tree, roll up cardboard to look like a tree and then covered it with painter's tape, sticky side out.

A plastic veggie serving tray works well for this activity because the tree fits perfectly in the middle and would prevent it from falling over.

**Christmas Sensory Bin and Sticky Tree**
